Çukurova, ADANA

EDUCATION

Electrical-Electronic Engineering
Konya Technical University
2022 - Present

Electrical-Electronic Engineering
Konya Technical University
2021 - 2022

SKILLS

Electric Cars
Robotics
Python
C
PLC / PLC Programming
Autonomous
Teamwork
Power Electronics
Team Leadership

LANGUAGE

English

Experience

Jul 2024 - Jul 2024
SASA Polyester Sanayi A.Ş.

INTERN

During my internship, I gained experience on AI, robotics, electrical systems, automation, team management.

Jul 2023 - Aug 2023
OĞUZ TEKSTİL

INTERN

During my internship, I gained experience on Industrial Automation, PLC, Electronic Systems, Power Electronics, Inverters.

Nov 2022 - Nov 2023
KTUN Robotics Automation Control Research and Development Laboratory (RACLAB)

TEKNOFEST PARTICIPANT

PROJECTS: NOVA

During my membership in the community, I worked in the software department on the autonomous system of the unmanned underwater vehicle.

Sep 2021 - Jun 2022
IEEE KSU STUDENT SOCIETY

TEKNOFEST PARTICIPANT

PROJECTS: KUASAR

During my membership in the community, I worked in the electrical and electronics department on the on-board charger of an electric car.
